RE: dPi-Teleconnect, L.L.C.
Docket No. T-03666A-98-0691

DOCKETED BY

Jr

Dear Mr. Dickson:

On December 9, 1998, dPi-Teleconnect, L.L.C. filed an application for a CC&N to provide resold local and interexchange telecommunications in the State of Arizona. Pursuant to A.A.C. R14-2-1104(E), the Applicant is required to publish legal notice of the application in all counties where services will be provided no later than 20 days after the application is filed. The Applicant must file with the Commission copies of the affidavits of publication for each newspaper in which public notice in this matter was published.

Legal notice was published for interexchange service, but did not state the provision of local exchange service. Legal notice must be published stating the provision of local exchange service.

Additionally, in order for Staff to continue with its review of this application, the following information must be submitted:

- A. Will your customers be required to (or have the option to) pay advances, prepayments, or deposits for any of your products or services? *(Please note that prepaid calling cards are considered de facto prepayments by the Commission.)*
- B. What is the name of the company whose services you will be reselling?
- C. Please submit a tariff for interexchange service which includes current and maximum rates.
- D. Please submit a local exchange tariff which includes maximum rates.

This information must be received by Docket Control within 30 days of the date of this letter. If no response is received within 60 days of the date of this letter, Staff will recommend that the application be terminated. If the application is terminated, the Applicant cannot provide resold local toll telecommunications in Arizona, until such time as a new application is filed with and approved by the Commission.
